Frequently Asked Questions

Is the Optum Home Delivery Pharmacy in my plan's network?

Yes, it's part of your plan's pharmacy network.

Once I've enrolled in home delivery, how long will it take to get my medication?

Medication should arrive within 5 business days after your complete order is received.

Do I need to set up a home delivery account?

Yes. Before your first order can be shipped, you need to set up your account and provide your payment method (credit card, debit card or bank account). Using your account, you can go online or use the app any time to place and track orders, check prices, and more.

What is a long-term medication?

Long-term medications are those you take on a regular basis. These may be taken for ongoing conditions like high blood pressure, cholesterol and depression.

Can I use home delivery for any medication?

Use home delivery for eligible long-term medications. See which of your prescriptions can be filled through home delivery by going online or using the app.

Can I set up medication reminders?

Yes. Go online or use the app to check your profile and turn on email and phone notifications and reminders.

How does the automatic refill program work?

Go online or use the app to see and enroll all eligible medications. Then, refills will be sent when it's time. You'll be notified before shipping, and the approved payment method on file will be used. It's that easy.
